Automatic hyphenation is on in this document. Never Hyphenate was chosen for the word extraordinarily, and not for the word representatively.

The word extraordinarily and the word representatively are long, so this extraordinarily narrow column may break representatively written lines, and extraordinarily long words like representatively and extraordinarily can reach the ends of lines. The word extraordinarily and the word representatively are long, so this extraordinarily narrow column may break representatively written lines, and extraordinarily long words like representatively and extraordinarily can reach the ends of lines. The word extraordinarily and the word representatively are long, so this extraordinarily narrow column may break representatively written lines, and extraordinarily long words like representatively and extraordinarily can reach the ends of lines. The word extraordinarily and the word representatively are long, so this extraordinarily narrow column may break representatively written lines, and extraordinarily long words like representatively and extraordinarily can reach the ends of lines.
